(*c*) *Madhugiri*

The Board allocates the number of wells to be sanctioned in the two units of Development Blocks in the taluk and on the basis of the number of wells so allocated, proportionate allotments are given to each unit. The loans are then distributed by giving priority to the old applications and the depressed class persons as far as possible.

Koratagere

All the loan records are placed before the Loan Sub-Committee for orders and this Sub-Committee sanctions the loans after examining the records and the availability of funds. These cases are then ratified by the Development Board.
